REACH 191 Compliance Declaration

Product: CG-7PU31HB

Description: 7 Port USB 3.1 Gen1 Metal Hub w/15KV ESD Surge Protection and Power Adapter

REACH is the European Community Regulation on chemicals and their safe use (EC 1907/2006). It deals with the Registration, Evaluation, Authorization and Restriction of Chemical substances. The law entered into force on 1 June 2007. Coolgear, Inc. supports the objective of REACH and the responsibility the legislation places on all actors in the supply chain to manage the safe use of substances. Coolgear, Inc. is committed to complying with REACH.

The products specified above manufactured by Coolgear, Inc. meet the definition of "Article" and do not have intentional release of substances or preparations and, consequently, will not require registration of any chemical substances. None of the materials contain any of the 191 currently listed Substance of Very High Concern (SVHC) at a concentration exceeding 0.1% weight by weight published by European Chemical Agency (ECHA) on June 27th, 2018 regarding regulation (EC) No. 1907/2006.

This statement confirms that Coolgear, Inc. is aware of the requirements of REACH Regulation (EC) No. 1907/2006 of the European Parliament and the Council of 18 December 2006. It is our intention to comply with the requirements of this regulation as it applies to producers of Articles. We will continue to work with our suppliers to identify any SVHC components contained in the materials procured for use in manufacturing Coolgear, Inc. products. Coolgear, Inc. are REACH compliant and are reviewing any legislation changes.
