Product Change Notification (PCN)

PCN No: 20260202.1

Date: 02/02/2026

Product Model Number: USB-32COM-RM-HUB

Change Type: Major

Description of Change: Mechanical Design Change

Specification Change Details: The USB-32COM-RM-HUB has been updated to feature an integrated internal power supply, replacing the previous external AC adapter configuration. To support this transition, a standard NEMA 5-15P power cable is now included in the box. This design revision does not impact the device's performance.
